Re: ENGR 1201 Prerequisite and Corequisite Change

The Short Form is used for minor curriculum changes. Minor changes may include:

**Undergraduate:** Minor changes include new undergraduate courses, course numbering (note: must follow Course Numbering Policy), change in pre-requisites, editorial changes to course description, and/or minor program changes.

**Graduate:** Minor changes include course numbering (note: must follow Course Numbering Policy), change in pre-requisites, editorial changes to course description, and/or minor program changes.

Submission of this Short Form indicates review and assessment of the proposed curriculum changes at the department and collegiate level either separately or as part of ongoing assessment efforts.

*Proposals for undergraduate courses should be sent to the Undergraduate Course and Curriculum Committee Chair. Proposals related to both undergraduate and graduate courses, (e.g., courses co-listed at both levels) must be sent to both the Undergraduate Course and Curriculum Committee and the Graduate Council.

Revised 05/06/14
OAA/mjw
**SUMMARY:** State clearly and concisely the proposed changes. Please give a brief statement as to why the change is being proposed.

Ex. “The Biology Department proposes to add a prerequisite to the existing course, BIOL 2222.”

Ex. “The College of Information Technology proposes a change in the course description for ITCS 6132.”

ENGR 1201 instructors identified that the basic mathematics skills of entering freshmen were marginal since many of the skills necessary for success were taken well in advance of matriculation to the university. To assist in improving these skills the college wants to add a mathematics refresher prerequisite to the course in an attempt to improve student success. Also the Undergraduate Administrative Committee wishes to add MATH 1241 as a prerequisite so that transfer students who have completed the equivalent course will be able to register without intervention since they are not taking the course as a corequisite.

**FOR CONSULTATION WITH OTHER DEPARTMENTS:**
